Commissioners.

ESTATE OF MARY C. WHEATON The Honorable Probate Court for the District

Only fair progress has been made in putting the big 60,000,000 foot drive of the Connecticut Valley Lumber Co. over the dam at Bellows Fails. For three days the wind was from the south and drove the logs back and while a night gang has worked incessantly, the logs are still at a standstill. Mills below the falls are closed until the drive is over.

F. B. Chamberlain, a North Enosburg farmer is recovering from the effects of an operation which necessitated the removal of his left eye. For a time it was feared that the other eye would become sympathetically affected.

And awonderful week; there was a program of instruction, besides games each day. Mr. Grout engaged three agricultural professors from Illinois university at his own expense, and a machine shed was turned into a dining room, the cooking being done in a tenant house.

Plan of Work.

As some of the boys did not arrive until afternoon, the day was spent in getting acquainted; in the evening, a professor showed ninety-five stereopticon pictures and got in touch with the boys. Tuesday morning at 7 the instructors and boys toured the farm, and valuable lessons were given and absorbed. First, and valuable sympathetically affected.

That Worn-Out Feeling

with loss of appetite, constipation, biliousness, sick headache, is nature's warning that you need a good summer tonic. Get a bottle of Baxter's Mandrake Bitters to-day. Sold everywhere, liquid or tablets, 25 cents.

POULTRY

FOR SALE—"Faulties" Housans; this strain has been egg-bred from trapnest records since April, 1890. I have bred them 24 years for great layers, and 14 years for large-sine chalk white eggs; these fewis are extremely, hardy, have neither comb or wattle to freeze, and are the best all-winter layers in open-front coops. "Faultiess" strain Housans have ween years him rithen New York.
